# EDUCATION

### Federal University of Goiás (UFG)

Bachelor's in Public Relations and Communications – 2006–2010

### Languages

- English – Full Professional Proficiency
- Portuguese – Native
- Russian – Elementary

# INTERESTS

I thrive on meaningful challenges and collaborative environments. While I specialize in frontend engineering, I'm actively expanding toward fullstack development. If you're looking for someone who learns fast, delivers consistently, and brings structure to complexity — let's work together!
